

7<sup>th</sup> International Conference on Multicomponent Reactions and Related Chemistry, August 26<sup>th</sup> to 31<sup>st</sup> 2018, Düsseldorf, Germany

### Registration Fees (\* after April 30 2018)

Academic professionals € 400,00 (€ 550,00\*)

Industrial professionals € 600,00 (€ 750,00\*)

(post)doctoral students € 150,00 (€ 200,00\*)

### The registration fee includes:

- Access to all lectures and the exhibition during the conference, conference materials
- Coffee breaks, 5 lunches, and social events (excursion, conference dinner)
- Public transportation ticket (for unlimited rides) for 5 days within the City of Düsseldorf

### Location

Düsseldorf is located in the western part of Germany, directly on river Rhine and it is the state capital and political and economic center of the federal state Northrhine-Westfalia with 600.000 inhabitants. Düsseldorf is well-known for a rich cultural program from music, opera, classical and contemporary art to modern architecture and many opportunities to enjoy life in the "Altstadt", the old city, with numerous bars, breweries, restaurants and cafés.

The conference will take place on campus of Heinrich Heine University (HHU), a young university that just celebrated its 50th anniversary. HHU is excellently connected by bus, tram and subway and the center of the city can be reached in 10-15 min. Düsseldorf Airport is the third largest airport in Germany and many flights from and to numerous locations in Europe, North America and Asia are readily available. The airport can be reached from HHU by public transportation in less than 45 min.

7<sup>th</sup> International Conference on Multicomponent Reactions and Related Chemistry, August 26<sup>th</sup> to 31<sup>st</sup> 2018, Düsseldorf, Germany

### Organizing Committee

- Prof. Thomas J. J. Müller (HHU Düsseldorf, Germany)
- Dr. Klaus Schaper (HHU Düsseldorf, Germany)
- Prof. Jörg Pietruszka (HHU Düsseldorf, Research Center Jülich, Germany)
- Prof. Ludger A. Wessjohann (Leibniz Institute of Plant Biochemistry, Halle, Germany)
- Prof. Erik Van der Eycken (University of Leuven, Belgium)

### International Advisory Board

- Prof. Alex Dömling (University of Groningen, The Netherlands)
- Prof. Luca Banfi (University of Genova, Italy)
- Prof. Jieping Zhu (EPF Lausanne, Switzerland)
- Prof. Yanguang Wang (Zhejiang University, China)
- Prof. Carlos Kleber Zago de Andrade (University of Brasilia, Brazil)
- Prof. Andrei K. Yudin (University of Toronto, Canada)

7<sup>th</sup> International Conference on Multicomponent Reactions and Related Chemistry, August 26<sup>th</sup> to 31<sup>st</sup> 2018, Düsseldorf, Germany

Dear colleagues,

We cordially invite you to take part in MCR 2018, the 7<sup>th</sup> International Conference on Multicomponent Reactions and Related Chemistry, which is to be held from **August 26<sup>th</sup> to 31<sup>st</sup> 2018**. This conference continues the series of six previous highly successful conferences on the same topic that were held in Munich (2000), in Genova (2003), in Amsterdam (2006), in Ekaterinburg (2009), in Hangzhou (2011), and in Brasilia (2015). The academic program of the conference will encompass plenary lectures, invited lectures, oral and poster presentations. The conference will take place at Heinrich Heine University (HHU), insuring a stimulating academic atmosphere for exchange and discussion between speakers, presenters and the audience. As always, we have called on an excellent group of speakers from the international MCR and related chemistry community.

The poster sessions will foster an intensive and fruitful thought exchange with students, professors and industrial professionals. We are convinced that you will enjoy the conference, both scientifically as well as socially. Welcome to MCR 2018, welcome to Düsseldorf!

7<sup>th</sup> International Conference on Multicomponent Reactions and Related Chemistry, August 26<sup>th</sup> to 31<sup>st</sup> 2018, Düsseldorf, Germany

### Call for Abstracts

You are invited to submit abstracts for presentation in the poster sessions on the following topics:

- Multicomponent Reactions
- Cascade Reactions
- Tandem/Domino Reactions
- New Synthetic One-pot Methodology
- Diversity-oriented Synthesis
- Organometallic, Organic and Enzymatic Catalysis
- Related Applications in Heterocyclic and Medicinal Chemistry and Natural Product Synthesis

### Important Dates

#### Opening of registration

February 15 2018

#### Deadline for early bird registration

April 30 2018

#### Deadline for abstract submission

April 30 2018

#### Notification of acceptance

June 1 2018

[www.mcr2018.hhu.de](http://www.mcr2018.hhu.de)

## Confirmed Speakers

### Plenary Speakers

Prof. Dennis Hall, University of Alberta, Canada

Prof. C.-J. Li, McGill University, Montreal, Canada

Prof. Magnus Rueping, RWTH Aachen, Germany

Prof. Jared T. Shaw, UC Davis, USA

Prof. Lutz F. Tietze, University of Göttingen, Germany

Prof. Yanguang Wang, Zhejiang University, P. R. China

### Invited Lecturers

Prof. Luca Banfi, Genova, Italy

Dr. Lars Bärfacker, Wuppertal, Germany

Prof. Valentin A. Chebanov, Charkiv, Ukraine

Prof. Thierry Constantieux, Aix-Marseille, France

Prof. Alexander Dömling, Groningen, Netherlands

Prof. Laurent ElKaim, Palaiseau, France

Prof. Rongrong Hu, Hongkong, P. R. China

Prof. Christopher Hulme, Tucson, USA

Prof. Carlos Kleber de Andrade, Brasilia, Brazil

Prof. Mikhail Krasavin, St. Petersburg, Russian Fed.

Prof. Rodolfo Lavilla, Barcelona, Spain

Dr. Géraldine Masson, Gif-sur-Yvette, France

Prof. Michael A. R. Meier, Karlsruhe, Germany

Prof. Maxim A. Mironov, Ekaterinburg, Russian Fed.

Prof. Valentine Nenajdenko, Moscow, Russian Fed.

Prof. Romano V. A. Orru, Amsterdam, Netherlands

Prof. Hans Ulrich Reißig, Berlin, Germany

Prof. Daniel G. Rivera, Habana, Cuba

Dr. Carsten Schmeck, Wuppertal, Germany

Prof. Leonid Voskressensky, Moscow, Russian Fed.

Prof. Andrei K. Yudin, Toronto, Canada

Prof. Jieping Zhu, Lausanne, Switzerland
